

REMARKS

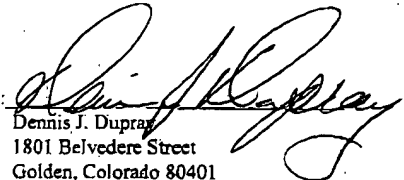

The present supplemental amendment provides claim amendments that better define the invention.

It is believed that no fees are due with this Supplemental Amendment. However, in the event that additional fees are due, please contact the Applicant named hereinbelow by phone preferably as soon as possible (phone numbers being: 303-863-2975 and/or 303-2730267).

Applicants respectfully submit that the claims are in condition for allowance and request the Examiner's favorable reconsideration and passage to issuance thereof.

Respectfully submitted,
